SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Caleb Pollack on January 19, 2005:

I. **Listing of claims**

a. Please amend **Claim 1 (Currently Amended)** as follows: A method comprising:

interrupting reception from a first communications system;

~~searching for a pilot signal of~~ receiving signals from a second communications system that operates according to a different communication standard than said first communication system; ~~and~~

resuming reception from said first communications system; and

searching for a pilot signal of said second communications system by background processing at least a portion of said received signals.

b. Please amend **Claim 12 (Currently Amended)** as follows: A dual mode receiver comprising:

a processor to interrupt reception from a first communications system, to receive signals from ~~search for a pilot signal of~~ a second communications system that operates

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 10/11/2005 was filed after the mailing date of the Notice of Allowance on 7/05/2005. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The instant application discloses a dual mode transceiver that switches between two different types of wireless communications systems. Prior art references show The following is a statement of reasons for the indication of allowable subject similar methods but fail to teach: **"searching for a pilot signal of said second communication system by background processing at least a portion of said receive signal"**, as in claims 1 and 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
